Dear Sir:

Pursuant to an Examiner's Amendment, Applicants hereby submit, in duplicate, CD-R discs on which is recorded the computer program originally filed in U.S. Application 10/583,466 as Table 1.

I hereby state that the accompanying computer program listing and the original computer program listing are the same, and that the accompanying computer program listing includes no new matter.

Applicants note that two similar discs were filed on September 21, 2011; however, it has been discovered that the discs filed on September 21, 2011 were corrupted; accordingly, Applicants submit the enclosed discs to provide readable copies of the computer program listing.

The CD-R discs are in **IBM-PC** format.

The files on these CD-R discs are **MS-Windows** compatible files.

Each CD-R disc contains the file entitled "US 10\_583,466 Table 1 - Computer Program Listing GNE-5201" which file is 39 KB in size, and was created on October 21, 2011.

The CD-R discs are labeled "Copy 1" and "Copy 2."

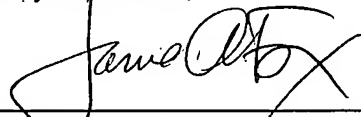

Applicants state that the two compact discs are identical, except for the difference in the labels "Copy 1" and "Copy 2."

Applicants authorize the USPTO to, and request that the USPTO include these CD-R discs in the file of U.S. Patent Application 10/583,466, and amend the specification accordingly.

Applicants believe that no fees are due with this filing. However, the Commissioner is authorized to charge any fees that might become applicable, or credit overpayment to Deposit Account No. 50-2387, referencing Attorney's Docket No. 25130.055/GNE-5201 R1.

Please direct any calls in connection with this application to the undersigned at the number provided below.

Respectfully submitted,
